Fuck the media fuck the politicians, they have been painting us as demons for years.
It is tyrannical to withhold votes from being audited. Yesterday was a welcome greeting with a simple message, let us count the votes or half the country will be this pissed.

It was a big win. They are scared of you. It's what you wanted.

I think it was a big mistake, pedes.

It was the destruction of the reputation of the maga movement in return for absolutely nothing.

You can try putting lipstick on the pig all day long. It doesn't matter. Yesterday was a complete disaster for the MAGA movement.

A few of you got to have fun playing Braveheart for a couple hours. Great job.

If that's a win, not sure what a loss looks like.
